

Plast Eurasia istanbul 2022

31st INTERNATIONAL İSTANBUL PLASTICS INDUSTRY FAIR

November 23 - 26, 2022

Wednesday - Saturday

Plast Eurasia İstanbul 2022, the Fair of the Plastics Continues to Grow!

Plast Eurasia İstanbul Fair continues to grow in 2022 as it brought together the entire stakeholders of the sector in 2021 and offered a unique experience for the exhibitors and visitors, and became a gigantic trading platform by gathering 60.742 professional visitors from 138 countries and 852 leading companies from 39 countries...

A Strong Cooperation, Strong Fairs, a Strong Sector!

The 31st Plast Eurasia İstanbul Fair will be organized by Tüyap Fairs and Exhibitions Organization Inc., the pioneering and leading exhibition sector in cooperation with PAGEV (Turkish Plastics Foundations) the unifying force in the plastics sector. The fair is almost ready to bring together the professionals of the sector on 23-26 November 2022.

The largest plastics industry fair and one of the leading fairs of the world Plast Eurasia İstanbul Fair continues to steadily grow with the support of the strong sector.

A New Machinery Hall Was Opened Meeting the Large Turnout from the Sector

Based on the large turnout from the sector, a new hall was added to the existing ones. Thus the 11th hall was opened for visitors and exhibitors. 95% of the sales of stands at the halls were already completed and the machinery companies have started to join the 11th hall as well. The Machinery Section will be receiving visitors in halls no. 2-3-4-10-11-12-14.

Among the companies that joined the 11th hall to exhibit their products are: PDA Automation Machinery, Ais Engineering, Bilgili Machinery, Varilsan, Birlikflex Machinery Manufacture and Marketing, Uçkan Test and Measurement Systems, Toroplas Plastic Mold, Nokta Plastics, DMK Design Machinery Mold, Gülnar Plastic, Güven Machinery Mold, Vakumsan Packaging, Tekno Mold, Enkosan Compressor and Machinery, Candar Automation Systems, and Benli Plastics...

The Sales of the Raw Material Section Closes to 100%

The sales of the Raw Material Section that will gather visitors at halls no. 5-6-7-8-9 are almost finished. There is almost no unsold stand at these halls where the raw material manufacturers of the sector will be attending.

A Large Turnout from Across the World

Germany, the United States, Belgium, China, Denmark, Finland, South Korea, India, the Netherlands, Spain, Israel, Sweden, Italy, Japan, Malaysia, Thailand, Taiwan, and Iran are among the exhibiting countries. Apart from these countries, intensive talks are in progress with Russia and the United Kingdom, and around 1000 companies from over 50 countries are expected to participate the fair.

A Continued Support from the Turkish Ministry of Trade and KOSGEB

Supported by the Turkish Ministry of Trade and KOSGEB (Small and Medium Enterprises Development Organization) the participants will be refunded a part of their fair expenses by submitting an application in the aftermath of the fair!
